

County of Fresno

Robert C. Werner
Assessor-Recorder

August 28, 2006

CLOVIS CA 93611

RE: APN 562-

To Whom it may concern:

Our records indicate the building permit identified below was recently issued for new construction on your property. Normally, an appraiser from the Assessor's Office would visit the property and view the new construction in order to gather information essential to its value. We have found, in many cases, specific information supplied by the property owner is sufficient to enable our appraisers to make sound value judgements without an on-site inspection. It makes particularly good sense during periods of fiscal restraint to avoid unnecessary driving and inefficient use of manpower conducting physical inspections when they may not be necessary. It is with this spirit in mind that we solicit your cooperation in completing the attached form.

Please fill out as thoroughly as possible those portions of the form that apply to your project. Inclusion of your contractor's cost estimate and photographs, if available, would be very helpful for our appraisal. The completed form must be returned to our office not later than **September 11, 2006**.

Section 408 of the California Revenue and Taxation Code provides that information you provide on this form will be held confidential, and not be open to public inspection.

If you need assistance, please call the Real Property Division at (559) 488-3509.

Yours truly,

ROBERT C. WERNER
FRESNO COUNTY ASSESSOR

Gene Braze
Chief Appraiser
